Description of Federal Programs

ESEA Title I Part A: Improving the Academic Achievement of the Disadvantaged (T IA)

- Provides financial assistance to districts to expand and improve their educational programs to meet the needs of students who are at risk of failing to meet the state's challenging academic standards in reading and math.

ESEA Title I Part C: Migrant Education Program (T IC)

- Provides supplemental education and supportive services to eligible migrant children to help them overcome educational disruptions and disadvantages.

ESEA Title II Part A: Improving Teacher Quality (T IIA)

- Provides funds to increase student achievement by improving the effectiveness of teaching. (Private/non-public schools may only receive professional development services for core teachers under Title II, Part A.)

ESEA Title III Part A: Language Instruction for Limited English Proficient & Immigrant Students (T IIIA)

- This program is designed to help LEP students become proficient in English and attain state standards.

ESEA Title IV Part B: 21st Century Community Learning Centers

- Supports academic enrichment during before-school, after-school, and summer programs that offer students additional services and activities such as drug and violence prevention, art, music, etc. Services must reinforce and complement regular academic programs.

School Nutrition Programs (SF)

- Supports nutrition and nutrition education work to provide children with access to healthful meals and encourage healthy lifestyles. The private/non-public school must submit a signed agreement, common assurances and free and reduced-price policy statement to affirm that it will administer the programs according to the provisions of those documents. A private/non-public non-profit school is also required to submit documentation from the IRS stating that it has tax-exempt status under 501 (c) 3.

Special Education IDEA, Part B (SE B) (SE P)

- The purpose of this program is to provide special education and related services to children with disabilities who have been identified as eligible under the requirements of IDEA and state administrative rules. For children with disabilities, the services will begin at age 3. The public school district in which the student lives is required to provide free appropriate public education (FAPE) to the child with disabilities. However, if a parent enrolls the child in a private/non-public elementary or secondary school, the district in which the private/non-public elementary or secondary school is located is only obligated to conduct child find services and those special education and related services it has determined it will provide in accord with the requirements of 34 CFR 300.13-144.

Carl Perkins Vocational Education (VoEd)

- Provides funds to assist high schools in paying the additional costs of approved career and technical education programs.

Note: For information regarding your participation in any of the above federal programs, please contact your local public school district.
