JOB SUMMARY

The Endpoint Specialist – Levels 1, 2 and 3 provides a wide variety of technical support to Cascade County (County) offices/departments to ensure the effective installation, security, operations, maintenance and troubleshooting of County endpoint devices such as desktops, laptops, telephones, tablets, printers, etc. and performs other related duties as required or assigned.

ESSENTIAL JOB DUTIES AND RESPONSIBILITIES

Test and install specific client applications and/or report using County software packages; install, test, troubleshoot and maintains hardware and software products; provide training to users on hardware and specific software applications; provide software and hardware technical support to ensure clients' endpoint devices run efficiently; diagnose and solve problems on endpoint devices; research peripherals to find the appropriate solutions to make them function properly; set up, install, configure and maintain individual endpoint devices (such as desktops, laptops, phones, tablets, printers, etc.); troubleshoot hardware and software failures, restore lost or corrupted data and compatibility issues with hardware/software; ensure the components of the agency's networks work together with the software applications throughout; maintain an active inventory of devices throughout the agency; perform other related duties as required or assigned.

Knowledge and understanding of: A wide variety of computer software, hardware and peripherals (e.g. Microsoft Office, Office 365, Internet, Email, Windows Operating System, iOS, Android); current and future County operating systems and hardware; a variety of network components and the intricacies of diverse software products; Countywide computer infrastructure and Information Services procedures, policies and organization; safety rules, policies and procedures.

Skills to: Diagnose and resolve endpoint and software problems; operate a variety of software applications; work independently while providing on-site installation, customer service and technical installation and/or repair support pursuant to department or individual customer requests; understand and use ticket tracking software and associated help desk software; effectively use interpersonal and communication skills.

Ability to: Establish and maintain effective, professional working relationships with other County employees, supervisory personnel and vendors; communicate with others in a professional and effective manner, both orally and in writing;

read and interpret technical manuals and specification documentation; work independently and as a team member; accept responsibility and be self-motivated and demonstrate a strong work ethic to achieve academic goals; exercise sound judgment and decision-making skills within established policies and procedures; display sound judgment under stressful situations; observe work hours and demonstrate punctuality; exercise flexibility with workloads to accommodate special projects or requests and high priority needs; interact with the public or other employees in a professional, respectful and courteous manner; address conflict in a professional and appropriate manner, resolve interpersonal conflict in a straightforward, timely manner and set priorities; obtain and maintain all necessary security approvals implemented or required by the Cascade County Sheriff's Office.

The successful applicant shall serve a 6-month probationary period and will have a criminal background check conducted. The results thereof may disqualify the applicant from consideration for employment with the County.

This position is covered and subject to the Collective Bargaining Agreement by and between Cascade County and Teamsters Union.

Notice to Applicants: Applicants who are claiming Veteran's or Handicap Preference must provide a DD-214 Discharge Document (Part 4) or DPHHS Handicap Certification and Employment Preference Form with their application for employment so Cascade County may apply the preference during the selection process.

Cascade County makes reasonable accommodations for any known disability that may interfere with the applicant's ability to compete in the recruitment and selection process or an employee's ability to perform the essential duties of the job. For Cascade County to consider such arrangements, the applicants must make known any needed accommodations.

CASCADE COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER
